There may be Limited Common Area in one or more sections or phases located within the Subdivision. Limited Common Area shall, for the purposes of this Declaration, be considered a sub-classification of Common Area and, except as may be otherwise provided herein, (i) all provisions of this Declaration relating to the rights, duties and obligations of the Association with respect to the Common Area shall apply to the Limited Common Area; and (ii) all provisions of this Declaration relating to the rights and obligations of Owners or Members with respect to Common Area shall, with respect to Limited Common Area, be exercised by or imposed upon only those Owners of Lots in phases or sections of the Subdivision to which the particular Limited Common Area relates (as determined by the Declarant).

(It is contemplated by the Declarant that the Subdivision may be recorded on several maps, which may be recorded at different times and may show different phases of the Subdivision.)

ARTICLE II

PROPERTY

Section 1. Property Made Subject To Declaration. The Property is hereby made subject to this Declaration and the Property shall be owned, held, leased, transferred, sold, mortgaged and/or conveyed by Declarant, the Association and each Owner subject to this Declaration and the terms, covenants, conditions, restrictions, easements, charges and liens set forth in this Declaration.

Section 2. Annexation of Additional Property by Declarant. If within fifteen (15) years of the date of recordation of this Declaration Declarant is the Owner of any real property which it desires to subject to this Declaration (such real property being referred to herein as "Additional Property"), and which property either has been approved by the Town of Cary as part of the Preston Village Subdivision or which is contiguous to any part of the Property, it may do so by filing of record a "Supplemental Declaration" (herein so called) which shall extend this Declaration to such Additional Property; provided, however, that such Supplemental Declaration, as applied to the Additional Property covered thereby, may include such specific additional terms, covenants, conditions, restrictions, easements, charges and liens, not inconsistent with this Declaration, as may be set forth in such Supplemental Declaration.

Section 3. Annexation of Additional Property by Other Person. If within fifteen (15) years of the date of recordation of this Declaration a Person other than Declarant desires to subject real property (also referred to as "Additional Property") to this Declaration, such real property may only be subjected hereto if the owner thereof consents in writing and if Declarant consents in writing. Thereafter, if Declarant or any other Person desires to subject real property to this Declaration, such real property may only be subjected hereto if the owner thereof consents in writing and if subjection to this Declaration is approved by the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting of the Association at which a quorum is present. Upon such affirmative vote, such Additional Property shall be subjected to this Declaration by the recordation in the Wake County, North Carolina Registry of a Supplemental Declaration signed by the owner of such Additional Property and the Association.

Section 4. Contents of Supplemental Declaration. Each Supplemental Declaration shall be effective upon recordation in the Wake County, North Carolina Registry, shall describe the lands annexed and shall incorporate the provisions of this Declaration, either by reference hereto or by fully setting out the provisions hereof. Such Supplemental Declaration need not be in any specific form (for example, it may be contained in a deed from Declarant conveying the real property being subjected to this Declaration), but shall clearly indicate the intention to subject the Additional Property to this Declaration. A Supplemental Declaration may contain such other terms and conditions, not inconsistent herewith, as the parties subjecting the Additional Property to this Declaration may agree upon. Nothing contained herein shall prohibit the owner of any Additional Property made subject to this Declaration by Supplemental Declaration from subjecting such Additional Property to other covenants, conditions and restrictions not inconsistent with the terms of this Declaration.

Section 5. Merger or Consolidation. Upon a merger or consolidation of the Association with another association which is a non-profit corporation composed of owners of residential real property (which merger or consolidation may occur under the provisions of applicable laws or the provisions of this Declaration, the Articles or the Bylaws not inconsistent with such applicable laws - the fact that this Declaration, the Articles or the Bylaws require a greater percentage of votes for approval of merger than the applicable laws is not inconsistent with said laws), the properties, rights and obligations of the Association may, by operation of the law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as the surviving corporation pursuant to a merger. The surviving or consolidated association shall be considered the Association and shall administer the terms and provisions of this Declaration and any applicable Supplemental Declaration affecting the portions of the Property in the jurisdiction of such Association, together with the covenants and restrictions established upon any other properties, as one scheme. The plan of merger or consolidation between the Association and any such other association may contain terms and provisions with respect to Common Property owned by the Association or such other association as may

be approved by the Association and such other association in the votes authorizing the merger and, to the extent that such provisions may conflict with the provisions of this Declaration, the provisions contained in the approved plan of merger or consolidation shall control. No such merger or consolidation, however, shall effect any revocation, change or addition to the terms and provisions of this Declaration or any Supplemental Declaration pertaining to the Property or any portion thereof except as specifically provided in this Declaration.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Each and every Owner of a Lot shall automatically become and be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot, and the Board may make reasonable rules relating to the proof of ownership of a Lot.

Section 2. Classes of Voting Members. Subject to the rights of Declarant reserved in Section 4 of this Article, the Association shall have two classes of voting membership as follows:

Class A. Class A Members shall be all Owners of Lots, with the exception of Declarant until such time as Declarant's Class B Membership is converted to Class A Membership as provided in this Article. A Class A Member shall be entitled to one (1) vote for each Lot owned by such Class A Member at the time notice is given of the particular meeting at which Class A membership votes are eligible to be cast. Provided, when two (2) or more Persons own or hold interests in any Lot, all such Persons shall be Class A Members, and the one (1) vote for such Lot shall be exercised as they, among themselves, determine (including the division thereof into fractional votes), but in connection with any particular vote no more than one Class A membership (1) vote shall be cast with respect to each Lot.

Class B. The Class B Member shall be Declarant. The Class B Member shall be entitled to three (3) votes for each Lot owned by the Class B Member at the time notice is given of the particular meeting at which the Class B votes are eligible to be cast.

The Class B Membership shall terminate and be converted to Class A Membership upon the happening of the first to occur of the following:

(a) when the total votes outstanding in Class A Membership equal the total votes outstanding in Class B Membership. Provided, however, and notwithstanding anything to the contrary that may appear herein or in the Declaration, if at any time prior to January 1, 2014

the Class B Membership terminates for the foregoing reason and thereafter Declarant, pursuant to Section 2 of Article II of the Declaration, annexes Additional Property to the Declaration such that, following such annexation, if votes are allocated to the Lots owned by Declarant at the rate of three (3) votes per Lot Declarant's total outstanding votes would exceed the total outstanding votes of the Class A Members, the Class B Membership shall be reinstated until such time as it again terminates due to one of the events of termination stated herein. Prior to January 1, 2014 or the voluntary termination of the Class B Membership by Declarant, whichever first occurs, there shall be no limitation on the number of times the Class B Membership may terminate and be reinstated in accordance with the provisions of this paragraph (a); or

(b) voluntary termination by Declarant; or

(c) January 1, 2014.

Section 3. Voting, Quorum and Notice Requirements. Except as may be otherwise specifically set forth in this Declaration, the Articles or the Bylaws, the vote of the majority of the aggregate votes entitled to be cast by all classes of the Members present, or represented by legitimate proxy, at a legally constituted (duly called) meeting of the Association at which a quorum is present, shall be the act of the Members with respect to the matter that is the subject of such vote. The number of votes required to constitute a quorum shall be as set forth herein or in the Bylaws. Notice requirements for all action to be taken by the Members of the Association shall be as set forth herein or in the Bylaws.

Section 4. Additional Class of Membership. Declarant, with respect to Additional Property subjected to this Declaration by Supplemental Declaration, which Additional Property contains or is to contain multi-family residential units such as apartments, duplex apartments, townhouses, condominiums and/or other forms of multi-family residential units, may create a third class of membership (to be known as "Class A-1") which may have voting rights equal to or less than (but not greater than) one vote per multi-family residential unit and which class of Members, as determined by Declarant in the applicable Supplemental Declaration, may be assessed annual and special assessments on their multi-family residential units at a rate that is equal to or less than (but not greater than) the rate at which Lots are assessed. The fact that the recordation of any such Supplemental Declaration has the effect of reducing the voting strength of Class A Members due to the addition of Class A-1 Members shall not prohibit or limit the right of Declarant to create such Class A-1 Membership or record such Supplemental Declaration. Any document creating such third class of membership shall be recorded in the Wake County, North Carolina Registry and may contain such additional terms and conditions with respect to such membership, not inconsistent herewith, as Declarant determines to be necessary or desirable.

The Class A-1 membership shall be deemed to be part of the Class A membership for the purposes of this Declaration and the Bylaws with respect to quorum requirements,

percentages of votes required for passage of amendments and other matters by Class A Members, and with respect to all other matters requiring a vote of the Class A membership.

Section 5. Termination Of Membership. A Person's membership in the Association shall terminate automatically whenever such Person ceases to be an Owner, but such termination shall not release or relieve any such Person from any liability or obligation incurred under or in any way connected with the Association or this Declaration during the period of such Person's ownership of a Lot, or impair any rights or remedies which the Association or any other Member has with regard to such former Member.

Section 6. Limited Common Property. With respect to matters specifically affecting Limited Common Property (as contrasted with matters affecting Common Property or the Association), only those Class A Members (and the Class B Member) who own Lots in the particular section or phase of the Subdivision to which such Limited Common Property relates shall be entitled to vote on and receive notice of matters affecting that particular Limited Common Property, and the quorum requirements with respect to any required votes affecting such Limited Common Property shall be based upon the number of Members entitled to vote on such matters and not based upon the entire Membership of the Association.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON AREA

Section 1. Owners' Easements of Enjoyment. Subject to the provisions of this Declaration (and subject to the provisions of any Supplemental Declaration or additional declaration which may be applicable and not inconsistent herewith), every Owner shall have a right and easement of use and enjoyment in and to the Common Area, and every Owner of a Lot in a phase or section of the Subdivision which has Limited Common Area shall have a right and easement of use and enjoyment in and to such Limited Common Area, which rights and easements shall be appurtenant to and shall pass with the title to every Lot; PROVIDED, HOWEVER, such easement shall not give such person the right to make alterations, additions or improvements to any part of the Common Area or Limited Common Area. Subject to the terms of this Declaration, the Articles and the Bylaws, any Owner may delegate such Owner's right of use and enjoyment in and to the Common Area or Limited Common Area to the members of such Owner's family, such Owner's tenants or contract purchasers who reside on the Owner's Lot, or to such Owner's guests.

Section 2. Title to the Common Area. Prior to the recordation of this Declaration, Declarant shall convey to the Association (by deed without warranty at Declarant's option) fee simple title to all real property portions of the Common Area, if any, shown on any plat of any part or all of the Property recorded by Declarant prior to the recordation of this Declaration, which conveyance shall be free and clear of all encumbrances

and liens other than the lien of current taxes and assessments not in default and utility easements, other easements and encumbrances (not constituting a lien to secure the payment of money) and mineral interests outstanding and of record in Wake County, North Carolina, and the terms and conditions of this Declaration and any applicable Supplemental Declaration. Declarant shall convey to the association other real property portions of the Common Area shown on any maps of part or all of the Property recorded subsequent to the recordation of this Declaration prior to the conveyance of the first Lot shown on any such map, such conveyance to be in accordance with and subject to the terms and conditions of this paragraph. Failure of the Declarant to convey any Common Area in accordance with this Section shall not void or adversely affect this Declaration, but the Declarant shall be under a continuing duty to convey such Common Area until such time as the conveyance has been completed. If the Declarant conveys any Common Area to the Association and thereafter, pursuant to the rights reserved by Declarant herein, revises the boundaries of such Common Area and any Lots adjoining such Common Area, the Declarant and the Association shall execute such documents as may be reasonably required by the Declarant to correct the boundaries of the Common Area and adjoining Lots in accordance with the revisions made thereto.

Section 3. Extent of Members' Easement. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) all provisions of this Declaration affecting such rights and easements, including those contained in this Article and not contained in this Article;

(b) the right of the Association to prescribe and enforce regulations governing the use, operation and maintenance of the Common Area (including limiting the number of guests of Members who may use the Common Area);

(c) subject to the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a meeting at which a quorum is present and which is duly called and held for the following purpose, the right of the Association to borrow money for the purpose of improving, repairing, replacing and maintaining the Common Area and facilities and/or the Landscaped Rights-of-Way and/or the Roadway Medians and in connection with such borrowing to mortgage the Common Area, provided the rights of such mortgagee in the Common Area shall be subordinate to the rights of the Owners hereunder (Note: the term "mortgage" when used in this Declaration also include a deed of trust and any other type of security interest in real or personal property). With respect to Limited Common Area, only those Class A Members who are Owners of Lots in the phase or section of the Subdivision which has such Limited Common Area shall be considered in determining the total number of votes entitled to be cast and what constitutes the required two-thirds (2/3) thereof.

(d) the right of the Association to take such steps as are reasonably necessary to protect the Common Area against foreclosure;

(e) the right of the Association to suspend the voting rights and right to use recreational facilities, if any, by an Owner for any period during which any assessment against such Owner's Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of the Association's published rules and regulations;

(f) the right of the Association to charge reasonable admission and other fees for the use of recreational facilities on the Common Area, if any;

(g) subject to the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting at which a quorum is present, the right of the Association to dedicate or transfer title to all or any part of the Common Area to any public agency, authority, or utility for such purposes and upon such conditions as the Board, or the Members who exercise the required affirmative vote (if the motion or resolution passed by such vote contains such conditions), may determine. With respect to Limited Common Area, only those Class A Members who are Owners of Lots in the phase or section of the Subdivision which has such Limited Common Area shall be considered in determining the total number of votes entitled to be cast and what constitutes the required two-thirds (2/3) thereof.

(h) easements for drainage, storm water control or removal, utilities, signs and other matters shown on recorded plats of the Common Area or created or reserved by Declarant prior to or simultaneously with conveyance of such Common Area by Declarant to the Association, and/or granted by the Association as permitted by this Declaration.

(i) subject to the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting at which a quorum is present, the right of the Association to lease, grant an easement in, over, under or upon, or transfer title to, any part or all of the Common Area to another nonprofit corporation or association organized and existing, with respect to property owned by such corporation or association, for purposes substantially similar to the Association with respect to the Common Property. Upon the approval of the Board the Association may lease from any such nonprofit corporation, or association or accept transfer of title of or an easement in, any part or all of the property owned by such corporation or association. With respect to Limited Common Area, only those Class A Members who are Owners of Lots in the phase or section of the Subdivision which has such Limited Common Area shall be considered in determining the total number of votes entitled to be cast and what constitutes the required two-thirds (2/3) thereof.

Section 4. Leases Of Lots. Any lease agreement between an Owner and a lessee for the lease of such Owner's Lot shall be in writing and shall provide that the terms of the lease shall be subject in all respects to the provisions of this Declaration and the Articles and Bylaws of the Association, and that any failure by the lessee to comply with the terms of such document shall be a default under the terms of the lease.

Section 5. Ingress and Egress. Notwithstanding anything to the contrary appearing in this Declaration, if ingress and egress to any Lot is through any part of the Common Area, any conveyance or encumbrance of such part of the Common Area shall be subject to an easement for ingress and egress for such Lot over and upon such portion of the Common Area as is designated for ingress and egress (by a public or private street or right of way) and shown on a recorded plat of such Common Area or the Lot affected thereby or created or reserved by Declarant in an instrument recorded in the Wake County, North Carolina Registry.

ARTICLE V

COVENANTS FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessments. Subject to the terms and conditions of this Declaration, each Owner of a Lot, by acceptance of a deed or other conveyance therefor, whether or not it shall be so expressed in any such deed or other conveyance, is hereby deemed to covenant and agree (and such covenant further shall be deemed to constitute a portion of the purchase money and consideration for acquisition of the Lot), to pay to the Association (or to any Person which may be designated by the Association to receive such monies on behalf of the Association): (i) annual assessments or charges; (ii) special assessments for capital improvements or unusual or emergency matters; and (iii) special individual assessments levied against an Owner to reimburse the Association for extra costs for maintenance and/or repairs caused by the failure of such Owner to maintain such Owner's individual Lot and Improvements thereon, or for damage to or destruction of Common Area by the Owner or the Owner's guests, tenants, licensees, agents, or family members, all of such assessments and charges to be fixed, established and collected as hereinafter provided. The annual, special and special individual assessments, together with such interest and late charges thereon and costs of collection thereof (including, without limitation, reasonable attorney fees) as are hereinafter provided shall be a charge and continuing lien on the Lot against which each such assessment is made. Each such assessment, together with such interest and late charges thereon and costs of collection thereof (including, without limitation, reasonable attorney fees) as are hereinafter provided also shall be the personal and continuing obligation of the Owner of such Lot at the time when the assessment became due. An Owner's personal obligation for payment of such assessments shall not pass to such Owner's successors in title unless expressly assumed by them, but the lien against such Owner's Lot as established in this Declaration shall continue in effect (unless terminated as otherwise provided herein). No Owner shall be exempt from liability for any assessment provided for herein by reason of non-use of such Owner's Lot or the Common Area. This Declaration shall, pursuant to Section 6-21.2 of the North Carolina General Statutes, constitute an evidence of indebtedness with respect to the obligation to pay each assessment provided for herein.

Section 2. Purpose and Use of Assessments. The assessments levied by the Association shall be used for the purposes of implementing and enforcing the terms and provisions hereof and of any Supplemental Declaration and promoting the health, safety, enjoyment and welfare of the Owners of Lots, and in particular, but without limitation, for the (i) improvement, use, operation, repair, replacement and maintenance of the Common Area, Landscaped Rights-of-Way and Roadway Medians and all improvements located therein or thereon; (ii) payment of premiums for hazard insurance in connection with the Common Area, the Roadway Medians and the Landscaped Rights-of-Way, and any improvements or facilities thereon; (iii) payment of public liability and other insurance of the Association; (iv) paying the costs of labor, equipment (including the expense of leasing any equipment) and material required for the Common Area, the Roadway Medians and Landscaped Rights-of-Way, and the improvement, maintenance, repair, replacement, management, protection, preservation, use and supervision thereof; (v) payment of all ad valorem taxes and public assessments levied on the Common Area owned by the Association; and (v) carrying out the purposes and duties of the Association as stated in its Articles and Bylaws and as stated in this Declaration.

As determined in its discretion, the Board shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvement of Improvements to or in the Common Property, Landscaped Rights-of-Way, Roadway Medians and those other portions of the Subdivision, if any, that the Association is obligated to maintain. Such reserve fund shall be established out of the funds collected through annual assessments.

All funds collected by the Association shall be treated as the separate property of the Association, and such funds may be applied by the Association for the purposes stated in this Declaration. As funds pursuant to any assessment are paid to the Association by any Owner, such funds may be commingled with funds paid to the Association by other Owners. Although all funds and assets of the Association shall be held for the benefit of the Members of the Association as provided in this Declaration, no Member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer, such Member's interest therein, except as an appurtenance to such Member's Lot. When any Owner shall cease to be a Member of the Association, the Association shall not be required to account to such Owner for any share of the funds or assets of the Association or any portion thereof which may have been paid to the Association by such Owner or acquired with any funds paid to the Association by such Owner, as all funds which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used by the Association as provided in this Declaration.

Section 3. Maximum Annual Assessment and Annual Assessment. Through and including December 31, 1994, the maximum annual assessment shall be \$300.00 per year per Lot.

(a) The maximum annual assessment for the calendar year beginning January 1, 1995, and for successive calendar years thereafter, shall be established by the Board and may be increased by the Board without approval by the membership of the Association by an amount per year not to exceed the greater of (i) ten percent (10%) of the amount of the maximum annual assessment of the immediately preceding calendar year or (ii) the percentage increase reflected in the U.S. City Average, Consumer Price Index-United States (published by the U.S. Bureau of Labor Statistics, Washington, D.C.) or such other index as may be the successor to said Consumer Price Index, for the twelve month period ending the immediately preceding July 1.

(b) The maximum annual assessment for the calendar year beginning January 1, 1995, and for each successive calendar year thereafter, may be increased without limit by the affirmative vote of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting of the Association at which a quorum is present. The provisions of this subsection shall not apply to nor be a limitation upon any change in the maximum annual assessment undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under this Declaration or its Articles or Bylaws or any applicable laws.

(c) Subject to the provisions of this Article V, the Board may fix the annual assessment at any amount not in excess of the maximum annual assessment allowed for the applicable calendar year.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized herein, the Association may levy in any calendar year a special assessment for the purpose of defraying, in whole or in part, the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of membership entitled to be cast by the Members present or represented by proxy at a duly called meeting of the Association at which a quorum is present. A special assessment shall be due and payable as established by the vote of the Members approving the special assessment, or, if not established by such vote of the Members, as established by the Board.

Section 5. Special Assessment for Repairs. In the event that any portion of any Common Area is damaged or destroyed by an Owner or any of such Owner's guests, tenants, licensees, agents, or family members, such Owner hereby authorizes the Association to repair or replace such damaged or destroyed area in a good and workmanlike manner. The amount reasonably required for such repairs or replacement, including all labor and materials used in connection therewith, shall become a special assessment upon the Lot of such Owner, due and payable as determined by the Board.

Section 6. Notice and Quorum For Actions Authorized Under Sections 3 and 4. Written notice of any meeting of the Association called for the purpose of taking any action

required to be taken by the membership under the preceding Sections 3 and 4 of this Article shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members plus proxies entitled to cast sixty percent (60%) of the combined total number of votes of all classes of membership shall constitute a quorum. If the required quorum is not present at the first such meeting, subsequent meeting(s) may be called subject to the same notice requirement, and the required quorum at the subsequent meeting(s) shall be one-half (1/2) of the required quorum at the immediately preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the immediately preceding meeting.

Section 7. Rate of Assessments.

(a) Both annual and special assessments must be fixed at a uniform rate for all Lots. Annual and special assessments may be collected on a monthly, quarterly, annual or other basis, as determined by the Board. The Board shall have the power at any time and from time to time, in its sole discretion and upon such terms and conditions as the Board deems appropriate, to allow percentage discounts to Owners who pay annual and/or special assessments earlier than would otherwise be required for such payments; provided, however, all such discounts shall be made available to and applied uniformly to the Owners of all Lots that are subject to the assessment to which the discount applies.

(b) The annual assessment for a Lot on which there is not a residence dwelling for which a certificate of occupancy has been issued by the governmental authority having jurisdiction thereof at the time the Lot is conveyed to the Owner by Declarant shall, for the first six (6) months that the Lot is subject to the annual assessment, be in an amount equal to fifty percent (50%) of the annual assessment established by the Board, and thereafter shall be applied at the full rate.

(c) Notwithstanding anything to the contrary that may appear in this Declaration, Declarant and all Lots owned by Declarant shall be exempt from all annual and special assessments which, in the absence of this exemption, would be applicable under the terms of this Declaration to such Lots during the time they are owned by Declarant.

Section 8. Commencement of Assessments; Establishing the Amount; Due Dates.

The annual assessment shall commence with respect to a Lot on the first day of the month immediately following the month in which the Lot is conveyed to the Owner by Declarant, and the amount of the first annual assessment applicable to the Lot shall be prorated in accordance with the number of months remaining in the calendar year on and after it is becomes applicable to the Lot. A special assessment shall be applicable to each Lot subject to this Declaration at the time such assessment is established. The Board shall establish the amount of the annual assessment for the ensuing calendar year at least thirty (30) days in advance of the beginning of such year, and, if the amount of the annual assessment changes from the amount for the current year, the Board shall cause written notice of the new annual assessment to be sent to at least one of the Owners of each Lot subject to the assessment.

Subject to any limitations contained in this Declaration, the Articles, the Bylaws or any applicable laws, the Board is empowered at any time and from time to time to establish the due dates and penalties for late payment of annual and special assessments. The failure of the Board to establish the amount of any annual assessment as required herein shall not be a waiver or modification in any respect of the provisions of this Declaration, or a waiver of the Board's right to establish the annual assessment at any time during the calendar year to which it is applicable, or a release of any Owner from the obligation to pay the assessment or any installment thereof for that or any subsequent year, and the annual assessment established for the immediately preceding calendar year shall continue in effect until the Board has established the new annual assessment.

Section 9. Certification of Assessments Paid. The Association (or any Person employed by the Association to assist in the management of the Association and collection of assessments and authorized to issue such certificates) shall, upon demand and for a reasonable charge or fee, furnish a certificate signed by an officer of the Association (or the Person or an officer, partner or agent of such Person having authority to issue such certificate) setting forth whether or not the assessments (annual and special) on a particular Lot have been paid. A properly executed certificate of the Association (or authorized Person) as to the status of the payment of such assessments shall be binding on the Association, as of the date of its issuance, with respect to the assessments addressed therein.

Section 10. Assessment Lien and Remedies for Non-Payment. Except as otherwise provided in this Declaration or by applicable laws, the aforesaid lien shall be superior to all other liens and charges against each Lot and the Improvements thereon. The Board shall have the power to subordinate the aforesaid assessment lien to any other lien, and such power shall be entirely discretionary with the Board. To evidence for the public record the amount of any assessment lien, the Board may prepare a written notice of assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot subject to such lien, and a description of the Lot. Such notice shall be signed by one of the officers of the Association and shall be recorded in the Office of the Register of Deeds of Wake County, North Carolina. The lien of any assessment may be enforced by the foreclosure of the defaulting Owner's Lot and Improvements thereon by the Association in like manner as a deed of trust with power of sale on real property, or the Association may institute suit against the Owner personally obligated to pay the assessments, or the lien may be enforced by judicial foreclosure or the Association may pursue one or more of the foregoing remedies and/or may seek any other available remedy or relief. With respect to any such remedy pursued by the Association, whether judicial or non-judicial, in addition to the amount of the unpaid assessment, and interest and late charges thereon, the Owner shall be required to pay the costs, expenses, and reasonable attorney's fees incurred by the Association. The Association shall have the power to bid on the Owner's Lot and Improvements thereon at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. In the event that any of the foregoing remedies by the Association results in the entry of a judgment against an Owner and in favor of the Association, then the Association shall be further empowered to execute on that

judgment in such manner and to the extent provided and permitted by the laws of the State of North Carolina.

Any assessments which are not paid by the due date shall be delinquent. If the assessment is not paid in full within thirty (30) days immediately following the due date, interest shall accrue on the unpaid portion of the assessment at the rate of interest established from time to time by the Board, not to exceed the greater of the highest lawful rate per annum or eighteen percent (18%) per annum. The Board shall establish the applicable rate of interest at the time it establishes the annual assessment each year, and shall notify Owners of the established rate in the same manner (or in the same notice) as required for notification of any change in the annual assessment. When the Board establishes the applicable rate of interest for any year, that rate shall continue in effect until such time as a new rate of interest is established by the Board. If, for any reason, it is determined that the Board is without discretion or authority to establish the applicable interest rate, then the applicable interest rate shall be the greater of the highest lawful rate per annum or eighteen percent (18%) per annum.

In addition to the foregoing, the Board may establish from time to time a late payment charge, in such amount (not to exceed 10% of the maximum annual assessment per month) and beginning on such date as determined by the Board. The Board shall establish the applicable late payment charge at the time it establishes the annual assessment each year, and shall notify Owners of the established charge in the same manner (or in the same notice) as required for notification of any change in the annual assessment. When the Board establishes a late payment charge, that charge shall continue in effect until such time as a new charge is established by the Board.

The Board, in its discretion, may waive in whole or in part the imposition of interest and late payment charges with respect to any delinquent assessment.

Section 11. Default in Payment of Ad Valorem Taxes and Assessments for Public Improvements. Upon default by the Association in the payment to the governmental entity or authority entitled thereto of any ad valorem property taxes levied against the Common Property or assessments for public improvements to the Common Property, which default continues for a period of six (6) months following the date of such default, each Owner shall become personally obligated to pay to the taxing or assessing governmental entity or authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total unpaid taxes or assessments (including all interest and penalties thereon and other lawful costs assessed by such governmental entity or authority) by the total number of Lots in the Subdivision at the end of such six (6) month period. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Lot of the then Owner thereof, and such Owner's heirs, devisees, personal representatives, successors and assigns, and the taxing or assessing governmental entity or authority may either bring an action at law against such Owner or may elect to foreclose the lien against the Lot owned by such Owner.

Section 12. Subordination of the Lien to Mortgages. All liens against a Lot provided for herein shall be subordinate and inferior to the lien of any first mortgage or deed of trust on such Lot. Except as otherwise provided herein, sale of or transfer of title to any Lot shall not affect the liens against such Lot established by this Declaration; provided, however, the sale of or transfer of title to any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish all such liens with respect to all payments that became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust on the Lot.

Section 13. Common Area Exempt. All Common Area and Dedicated Common Area shall be exempt from the assessments and liens for same created herein. Provided, however, no real property or improvements subject to this Declaration and used for residential dwelling purposes shall be exempt from such assessments and liens.

Section 14. Additional Assessments. Declarant reserves the right, by recordation of supplemental declarations or specific subdivision declarations or other document, to subject Lots located in one or more phases or sections in the Project to provisions requiring the Owners thereof to pay additional annual and special assessments to the Association for the construction, repair, maintenance, alteration and replacement of, and additions to, Limited Common Property including, without limitation, any one or more of the following: (i) private streets; (ii) specialized subdivision entrance or other features; and (iii) specialized subdivision landscaping features.

All of the provisions of this Declaration relating to annual and special assessments shall apply to the additional annual and special assessments, with the following exceptions: (i) the maximum additional annual assessment through 1994 for Lots in any phase or section of the Subdivision that contains Limited Common Area shall be \$240.00; (ii) the actual additional annual and special assessments may vary from phase to phase or from section to section of the Subdivision; (iii) where a vote of Members is required with respect to Limited Common Property, only those Owners who own Lots in the phase or section of the Subdivision to which such Limited Common Property relates shall be entitled to vote on such matters; and (iii) the additional annual and special assessments for Lots in any particular phase or section of the Subdivision shall be used exclusively in connection with the Limited Common Area associated with that phase or section of the Subdivision.

Section 2. Liability Limitations. Neither Declarant, nor any Member, the Board, any director on the Board, nor any officer of Declarant or the Association shall be personally liable for debts contracted for or otherwise incurred by the Association or for a tort of another Member, whether or not such other Member was acting on behalf of the Association or otherwise. Neither Declarant or the Association, nor any of the directors, officers, agents or employees of either shall be liable for any incidental or consequential damages for failure to inspect any property, premises, Improvements or portions thereof or for failure to repair or maintain the same. Declarant, the Association or any other Person liable to make such repairs or maintenance shall not be liable for any personal injury or other incidental or consequential damages occasioned by any act or omission in the repair or maintenance of any premises, improvements or portions thereof. The Association shall, to the extent permitted by applicable law, indemnify and defend all members of the Board and all members of the Architectural Control Committee and other committees appointed by the Board from and against any and all loss, cost, expense, damage, liability, action or cause of action arising from or relating to the performance by the Board and such Architectural Control Committee and other committees of their duties and obligations except for any such loss, cost, expense, damage, liability, action or cause of action resulting from the gross negligence or willful misconduct of the person(s) to be indemnified.

Section 3. Exchange of Common Area. The Association, acting through its Board, at any time and from time to time may exchange with Declarant, or with any Owner,

or with any other Person with whom such an exchange is determined by the Board to be in the best interests of the Association, a portion of the real property Common Area for a portion of the real property owned by the Declarant, such Owner or such Person, provided that the real property acquired by the Association in the exchange: (i) is free and clear of all encumbrances except for this Declaration and any applicable Supplemental Declaration and subdivision covenants, and easements for drainage, utilities, and sewers; (ii) is contiguous to a Lot or some portion of the Common Area, a Landscaped Right-of-Way or a Roadway Median; and (iii) has approximately the same area and utility, or is of approximately the same market value, as the portion of the Common Area exchanged. In addition to the foregoing, the Association shall have the right to exchange portions of Common Property with the Declarant or with any Owner for substantially equal (as determined by the Board) portions of real property for the purpose of eliminating unintentional conveyances of Common Property or unintentional encroachments or improvements onto portions of the Common Property or for the purpose of enhancing the utility of the Common Property to be retained by the Association or for the purpose of correcting any setback violations or encroachments of any improvements located on a Lot. The real property so acquired by the Association shall be part of the Common Area and, without further act of the Association or its Members, shall be released from any provisions of this Declaration (or any applicable Supplemental Declaration or subdivision covenants) except those applicable to the Common Area. The portion of the Common Area so acquired by the Declarant, Owner or other Person, without further act of the Association or its Members, shall cease to be Common Area and shall be subject to those provisions of this Declaration (and any applicable Supplemental Declaration and subdivision covenants) that would have been applicable to such real property had it been a Lot, except that, if such portion of the Common Area is being acquired by a governmental entity, in like manner as provided in this Declaration for the conveyance or dedication of Common Area to a governmental entity, such Common Area may be acquired by such governmental entity free and clear of all of the terms, covenants, conditions and restrictions contained in this Declaration.

ARTICLE VII

INSURANCE; REPAIR AND RESTORATION

Section 1. Right to Purchase Insurance. The Association is empowered to purchase, carry and maintain in force insurance covering any part or all of the Common Area, Landscaped Rights-of-Way and Roadway Medians and any improvements thereon or appurtenant thereto and any other property of the Association, for the interest of the Association, the Board, its agents and employees, Declarant and its officers and employees, and of all Members of the Association, in such amounts and with such endorsements and coverage as the Board shall consider to be good, sound insurance coverage for similar properties. Such insurance may include, but need not be limited to:

(a) comprehensive public liability and property damage insurance on a broad form basis with respect to the Common Area and/or Landscaped Rights-of-Way and/or Roadway Medians;

(b) coverage for the personal liability (if any) of the Declarant (and its officers, agents, employees and servants), the Board (and the individual members thereof), the officers of the Association, the Architectural Control Committee and other committees appointed by the Board, the Owners and Members;

(c) Fidelity bond for all officers and employees of the Association and other Persons having control over the receipt of disbursement of Association funds; and

(d) Worker's compensation insurance to the extent necessary to comply with applicable laws.

Section 2. Insurance Proceeds. Subject to any limitations imposed by any applicable financing documents, the Association shall use the net proceeds of casualty insurance recovered to repair and/or replace any damage or destruction of property, real or personal, covered by such insurance. Any balance from the proceeds of casualty insurance paid to the Association remaining after satisfactory completion of repair and replacement shall be retained by the Association as part of the general reserve fund for repair and replacement of the Common Area and/or Landscaped Rights-of-Way and/or Roadway Medians.

Section 3. Insufficient Proceeds. If the insurance proceeds are insufficient to repair or replace any loss or damage, the Association may levy a special assessment in the manner provided for in this Declaration, to cover the deficiency.

ARTICLE VIII

USE OF LOTS AND COMMON AREA - PROTECTIVE COVENANTS

Section 1. Land Use And Building Type. Each Lot shall be used exclusively for single-family, non-transient residential purposes. Except as otherwise allowed by the terms of this Declaration, no building or other structure shall be constructed, placed or allowed to remain on a Lot except one single-family dwelling, an attached or detached garage appurtenant thereto, an attached outbuilding or storage building appurtenant thereto, and/or a detached pump house serving a swimming pool on the Lot, with all of the foregoing meeting the requirements contained in this Declaration, including approval by the Architectural Control Committee. Except as otherwise provided herein, no business activity or trade of any kind (other than activities related to development of the Subdivision by Declarant, installation and maintenance work by utility providers and Persons responsible for street maintenance, construction, alteration, repair, improvement, maintenance or replacement of a

single-family residence, or improvement or maintenance of a Lot) shall be conducted on any Lot. Provided, however, and notwithstanding anything to the contrary that may appear herein: (i) Declarant, Declarant's agent, or any builder of homes on any Lot, subject to Declarant's approval, shall be permitted to erect and maintain sales offices, model homes and temporary construction or sales trailers or offices on any Lot owned by Declarant or such builder for the purpose of carrying on business related to the development, improvement and sale of Lots and the construction of single-family residences within the Property. Provided, however, any such sales office, model home and temporary construction or sales trailer or office must be specifically approved by Declarant and must comply with all applicable governmental laws and regulations; and (ii) Declarant and any Person authorized by Declarant may conduct such business activities on any Lot as may be necessary in connection with Declarant's development and/or sales of any part or all of the Property or the any property in the Subdivision.

Section 2. Obstructions, etc. There shall be no obstruction of the Common Area, nor shall anything be kept, stored, altered, constructed or planted in or on the Common Area, or removed therefrom, without the prior consent of Declarant or the Association. Provided, however, Declarant and the Association shall have the right to install, place, repair, replace and maintain signs in the Common Area and to install, maintain, repair and replace in the Common Area such materials, equipment and other apparatus as may be necessary to enable the Association to carry out its powers and duties under this Declaration.

Section 3. Restricted Actions by Owners. No Owner shall permit anything to be done or kept on such Owner's Lot or in the Common Area which will result in the cancellation of or increase in cost of any insurance carried by the Association, or which would be in violation of any law or any rule or regulation established by the Association. No waste shall be committed in the Common Area, except as may be necessary to enable Declarant or the Association to exercise any rights reserved to them hereunder or except as may be necessary to enable the Association to carry out its powers and duties hereunder. Each Owner shall comply with all applicable laws, regulations, ordinances (including, without limitation, zoning ordinances) and other governmental rules and restrictions in regard to such Owner's Lot(s) and the Common Area, and shall do so notwithstanding any attempted waiver or approval given by the Declarant or Architectural Control Committee under the terms of this Declaration.

Section 4. Nuisance and Other Matters. No noxious or offensive activity shall be conducted upon any Lot nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. No trade materials or inventories (other than materials used for construction of dwellings or other approved structures on the Lots) may be stored upon any Lot and no tractors, inoperable motor vehicles, rubbish, trash, or unsightly materials of any kind may be stored, regularly placed, or allowed to remain on any Lot (except that trash, leaves, tree limbs, materials for recycling pick-up and similar items may be kept or placed on a Lot temporarily and only for such time as is reasonably necessary to enable the appropriate governmental or private entity to remove same from the Lot, or such

materials may be kept on a Lot for use as a compost (provided that such materials used for this purpose are neatly kept and are screened from view from any adjoining Lot or street as approved by the Architectural Control Committee) and inoperable motor vehicles may be stored on a Lot if the same are kept in an enclosed garage). Provided, however, trucks and/or other construction vehicles, materials and equipment may be allowed to remain on the Property temporarily during construction of roads, utilities and other improvements within the Property and during construction on a Lot of a single-family residential dwelling and/or other Improvements which have been approved for construction by Declarant or the Architectural Control Committee established by this Declaration (the temporary nature of the foregoing to be determined by the Declarant or by the Association or the Architectural Control Committee, when such right has been assigned by the Declarant to the Association or the Architectural Control Committee). Notwithstanding the foregoing, no vehicle of any type or size which transports inflammatory or explosive cargo or which stores or transports materials or substances defined as hazardous or toxic by any applicable environmental laws of any governmental entity having jurisdiction over the Property may be kept or allowed to remain in or on the Property at any time, except as may be required to effectuate removal of such prohibited materials and substances.

Section 5. Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any portion of the Property or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes, that they do not create a nuisance (in the judgment of the Board), such as, but without limitation, by number, noise, odor, damage or destruction of property or refuse, and further provided that they are kept and maintained in compliance with (i) all laws and ordinances of the State of North Carolina, the County of Wake or other applicable governmental entity relating thereto; and (ii) such rules and regulations pertaining thereto as the Board may adopt from time to time. In no event shall more than three dogs and/or three cats be regularly kept on any Lot.

Section 6. Signs. No sign of any kind shall be displayed to the public view on any Lot except for signs which are approved by Declarant and which are for one or more of the following purposes: (i) advertising the Lot for sale or rent; (ii) advertising the building contractor constructing improvements on the Lot during the initial construction and sales period; (iii) identifying the sales office and/or model home of a building contractor who owns the Lot; (iv) identifying the subdivision or phase name and/or identifying the Lot number of a Lot; and (v) any other purpose approved by the Declarant (or by the Board after the Class B membership terminates); provided however, the foregoing limitations shall not act to restrict or prohibit Declarant or the Association or any applicable governmental entity from erecting, maintaining, repairing and replacing (and Declarant hereby reserves for itself, the Association and such governmental entities the right to erect, maintain, repair and replace) on a Lot or on the Common Area, Landscaped Rights-of-Way, Roadway Medians and in any easements reserved or granted for such purposes, signs and billboards advertising the Property, the Subdivision or portions of either, or signs identifying various phases of the Subdivision, or regulatory, street and directional signs. Notwithstanding the foregoing, all

signs erected and maintained on any Lot must conform with all applicable governmental requirements.

Section 7. Attachments. No permanent attachments of any kind or character whatsoever (including, but not limited to, television and radio antennas) shall be made to the roof or exterior walls of any residence on a Lot, unless such attachments shall have been first submitted to and approved by the Architectural Control Committee. No outdoor clotheslines shall be allowed on any Lot.

Section 8. Damage to the Common Area. Each Owner shall be liable to the Association and/or the Declarant for any damage to the Common Area, Roadway Medians, and/or Landscaped Rights-of-Way caused by the negligence or willful misconduct of the Owner or such Owner's family members, tenants, guests, or invitees.

Section 9. Rules of the Association. All Owners and occupants of Lots shall abide by all rules and regulations adopted by the Association from time to time. The Board shall have the power to enforce compliance with said rules and regulations by all appropriate legal and equitable remedies, and an Owner determined by judicial action to have violated said rules and regulations shall be liable to the Association and/or the Declarant for all damages and costs, including attorney's fees.

Section 10. Boats, etc. Neither a motorboat, houseboat or other similar water-borne vehicle, nor any airplane, nor any travel trailers, other trailers, or "camper" vehicles may be maintained, stored or kept on any portion of the Property, except in (1) enclosed garages or (2) in area(s) specifically approved and with screens or covers as specifically approved by the Declarant or Architectural Control Committee (in the absence of approval or disapproval by Declarant).

Section 11. New Construction. Except as otherwise provided in this Declaration, construction of new dwellings only shall be permitted on Lots, it being the intent of this covenant to prohibit the moving of any existing building onto a Lot and remodeling or converting same into a dwelling house. Provided, however, the foregoing shall not be construed as prohibiting remodeling of or constructing additions to existing buildings or structures on a Lot that have been previously constructed thereon in compliance with this Declaration.

No mobile home, modular home or other similar structure shall be erected, placed or allowed to remain on a Lot. No pre-engineered or pre-fabricated buildings may be erected, placed or allowed to remain on a Lot without the prior approval of the Architectural Control Committee.

Section 12. Outbuildings. No storage building or other outbuildings of any kind (excluding detached garages as are approved by the Architectural Control Committee) shall be erected, placed or allowed to remain on any Lot except those which are incidental to a

swimming pool located on a Lot, are constructed of the same or substantially identical materials as the residential dwelling on the Lot, are architecturally compatible with the residential dwelling on the Lot (as determined by the Architectural Control Committee), are located no closer to the front boundary line of the Lot than the rear wall of the single-family residence located on the Lot and no closer to any side boundary line of a Lot than the applicable building setback requirements, and which have otherwise been approved by the Architectural Control Committee.

Section 13. On-Street Parking. The Owner of each Lot shall provide for adequate parking space on the Lot for vehicles of all types and all other apparatus designed for movement over and upon streets or highways (whether self-propelled or not) and regularly used by the residents of the single-family residence on the Lot. No automobiles, trucks, vans, travel trailers, other trailers or any other apparatus designed for movement over and upon streets or highways (whether self-propelled or not) shall be regularly parked on the streets within or adjoining the Property, and motor vehicles licensed to carry more than two (2) tons shall not be permitted to park overnight or regularly on the streets, driveways or otherwise within the Property, except that Declarant may allow such parking by any such vehicles used in connection with the construction of improvements within the Property. In addition and supplemental to the prohibitions on parking set forth in this Declaration the Board is empowered to promulgate and enforce rules and regulations relating to parking on the streets within or adjoining the Property.

Section 14. No Temporary Structure. No structure of a temporary character, such as a trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a dwelling house.

Section 15. Landscaping. Except for the single-family residence, driveways, sidewalks and other Improvements on each Lot, the surface of each Lot shall be of undisturbed areas left in their natural state or grass or other live foliage or areas covered with pine straw and/or other ground cover approved by the Architectural Control Committee, and such natural areas, grass, foliage, pine straw and ground cover shall be neatly maintained at all times.

Section 16. Fences and Walls. Except as specifically approved in writing by the Architectural Control Committee, no fence, wall or hedge shall be erected, placed or altered on any Lot nearer to any street fronting such Lot than the front building corner of the main dwelling constructed on such Lot and shall not exceed six (6) feet in height unless otherwise specifically required by governmental authorities having jurisdiction. All fences on Lots shall be maintained at all times in a structurally sound and attractive manner and in a good state of repair. All fences on Lots shall be of wood, metal (excluding chain link), masonry or other material approved by the Declarant (or the Board, when the right to appoint the Architectural Control Committee has been assigned to the Board) and no fence shall be constructed, placed or allowed to remain on any Lot until the Owner thereof has obtained approval for such fence from the Architectural Control Committee.

Section 17. Sight Line Limitations. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two and six feet above roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at a point twenty (20) feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street property lines extended. The same sight line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within the foregoing distances of such intersection unless the foliage line is maintained at sufficient height to prevent obstruction of sight lines. Declarant reserves the right to waive the foregoing requirements with respect to portions of any Lots that also are considered Common Area or contain Common Property.

Section 18. Antennae. No exterior antennae, earth satellite station, microwave dish or other similar improvements may be constructed, placed, maintained or allowed to remain on any Lot or on any Improvement located on any Lot unless the same is no greater than a) twenty-four (24) inches in diameter and is screened by materials approved by the Architectural Control Committee so that it cannot be seen from the street on which the single-family residence situated on the Lot fronts or from any adjacent Lot.

Section 19. Gas Meters. No gas meters shall be set in the front of a residence on a Lot unless such meter is of an underground type or is screened in a manner approved by the Architectural Control Committee.

Section 20. Utility Yards. Each Lot on which a single-family residence is located shall have thereon one or more utility yards. At least one such utility yard shall be constructed at the same time as the single-family residence is constructed, unless provision is made for the housing or storage of the items set forth in this Article either inside the single-family residence or inside the garage. Each utility yard shall be walled or fenced or otherwise screened from view by landscaping features or other methods as approved by the Architectural Control Committee. The following buildings, structures and objects may be constructed or placed on a Lot and allowed to remain on a Lot only if the same are located wholly inside the single-family residence or garage on the Lot or wholly within a utility yard located on the Lot: pens, yards and houses for pets; above ground garbage and trash cans or receptacles (unless by applicable governmental law or regulation the same must be located elsewhere); above ground and exterior air-conditioning, heating and other mechanical equipment; and all other buildings, structures and objects determined by the Architectural Control Committee to be of a similar nature to the foregoing items or determined by the Architectural Control Committee to be of an unsightly nature or appearance.

Section 21. Mailboxes. All mailboxes, unless affixed to the residence on a Lot (which either must be approved by the Architectural Control Committee or otherwise required by applicable governmental law or regulation or United States Postal Service (or successor agency) regulation), shall be affixed to a substantial pole or stand permanently placed in the ground and shall not be located within a sidewalk. Architectural guidelines

with respect to mailboxes may require, prohibit, restrict or specify one or more of the following: method and type of support; style; material; color; size; height; and one or more of the foregoing with respect to the numbering and/or lettering to be placed on a mailbox or affixed thereto.

Section 22. Utilities. Except as otherwise specifically approved by the Architectural Control Committee, all electric, telephone, water and sewer, natural gas and cable television utilities and utility connections shall be located underground or screened in such manner as is approved by the Architectural Control Committee. Transformers, electric, gas or other meters of any type, or other utility apparatus shall be contained within the buildings constructed on Lots or, if adequately screened in a manner approved by the Architectural Control Committee, the same may be located on the exterior of buildings.

Section 23. Minimum Square Footage. The main dwelling house constructed on each Lot subject to this Declaration shall have an enclosed floor area of the main structure, exclusive of garages, open and screened-in porches, decks, terraces, patios and chimneys of not less than 2,200 square feet for a one-story dwelling and 2,500 square feet for a dwelling in excess of one story, and the ground floor of each such main dwelling house exceeding one story in height shall have an enclosed floor area, exclusive of garages, open and screened-in porches, decks, terraces, patios and chimneys of not less than 1,000 square feet. Provided, however, the Declarant shall have the right at any time and from time to time to allow or require minor variances from, and the right to waive minor violations of, such minimum total floor area and ground floor area requirements, such variances or waivers to be in writing and, upon request of the Person receiving the variance or waiver, to be in a form suitable for recordation in the Wake County Registry. Variances or waivers not in excess of twenty percent (20%) of the applicable requirement are deemed to be minor. Should any question arise as to whether or not any structure or improvement, other than those items specifically excluded by this Article, is part of the main dwelling house, the Architectural Control Committee shall have the authority to make such determination, and the decision of the Architectural Control Committee shall be final.

Section 24. Building Setback Distances. The main dwelling house on each Lot shall not be located on any Lot nearer to the Lot boundary lines than the building setback lines specified as follows or, if a greater setback is required thereby, as required by applicable zoning laws and other governmental requirements:

(i) Front Setback - thirty (30) feet from the front boundary line of the Lot;

(ii) Side Setback - ten (10) feet from each side boundary line of the Lot; provided, however, when a Lot adjoins two or more street right of way lines, no less than twenty (20) feet from the side boundary line of the Lot adjoining the street right of way line and no less than ten (10) feet from any other side boundary line of the Lot;

(iii) Rear Setback - thirty (30) feet from the rear boundary line of the Lot.

Declarant reserves the right at any time and from time to time to grant minor variances from and/or waive minor violations of the foregoing setback requirements (and, subject to approval of the Town of Cary or other applicable governmental entity having jurisdiction, to waive violations or grant variances from any setback requirements shown on any recorded plat of Lots in the Subdivision), such variances or waivers to be in writing. Variances or waivers not in excess of twenty percent (20%) of the applicable requirement are deemed to be minor. Notwithstanding the foregoing, if any minimum setback distance specified herein is different from any minimum setback distance shown on any recorded plat of any part or all of the Property, the greater distance shall be controlling with respect to the Lot or Lots affected thereby.

For the purpose of determining the foregoing building setback distances under this Declaration, eaves, steps, stoops, open and screened-in porches, overhangs, bay windows, decks, patios terraces and chimneys shall not be considered as a part of the main dwelling house, but the location of such Improvements on a Lot shall be subject to the architectural control and approval provisions applicable to the Lots subject to this Declaration. Provided, notwithstanding anything to the contrary that may appear herein, no dwelling or other improvement on a Lot shall encroach upon another Lot. Should any question arise under this Declaration as to whether or not any portion of the main dwelling house (other than the foregoing items specified as not being part of the main dwelling house) should be considered as part of the main dwelling house for the purpose of determining the foregoing building setback distances, or should any question arise as to what constitutes the front, side or rear property line of any Lot for the purposes of the required setback distances set forth in this Declaration, the Architectural Control Committee shall have the authority to make such determination and the decision of the Architectural Control Committee shall be final.

NOTE: With respect to Declarant's rights to grant variances or waivers of square footage and building setback requirements, these rights are reserved to provide a method to grant relief from inadvertent violations and to afford an opportunity to address special, unusual or unique circumstances that may apply to any particular Lot (such as, for example, difficult topographical circumstances or unusual soil conditions). However, it is the specific intention of the Declarant that the exercise of such rights by Declarant not impair or destroy the rights of the Declarant, the Association or the Owners to enforce the provisions of this Declaration (subject to any such variance or waiver granted by Declarant), and that the exercise of such rights by Declarant not convert this Declaration from a real covenant running with the Property and binding on all present and future Owners of any part or all of the Property into a mere personal covenant enforceable only the Declarant.

Furthermore, with respect to Additional Property subjected to this Declaration, Declarant reserves the right to establish different minimum square footage and building setback requirements as Declarant determines, in its sole discretion, may be necessary to accommodate different sizes of lots, different types and sizes of single-family residences, and different marketing conditions from what exists or has existed in other phases or sections of the Subdivision.

Section 25. Exterior Materials. The exterior materials of each building constructed, altered or placed on a Lot shall consist of brick, stone or other masonry and/or wood or wood type siding or such other first class materials as the Architectural Control Committee may approve, and may exist in such combinations of materials as approved by the Architectural Control Committee. Garages shall be of the same construction and exterior finish as the main dwelling house thereon. All roofs on all Improvements constructed on each Lot shall be of slate, clay tile, cedar shingles, cedar shakes, dimensional shingles, standing seam cooper or laminated, heavy weight composition shingles (for example, Architect 80 or Timberline) or such other materials as may be specifically approved by the Architectural Control Committee.

Section 26. Governmental Requirements. Nothing herein contained shall be deemed to constitute a waiver of any governmental requirements applicable to any Lot and all applicable Town of Cary or other governmental entity requirements or restrictions relative to the location or construction of Improvements on a Lot and/or use and utilization of any Lot shall continue to be applicable and shall be complied with in regard to the Lots. Provided, that in any instance in which the provisions of this Declaration impose a more restrictive requirement than the applicable governmental requirements or restrictions, the provisions of this Declaration shall control.

ARTICLE IX

ARCHITECTURAL CONTROL

Section 1. General. Anything contained in this Declaration to the contrary notwithstanding, no site preparation on any Lot, no change in grade or slope of any Lot, no construction or placement of any building or exterior additions or alterations to any building situated upon a Lot, and no construction of or changes or additions to any other structure or Improvement on a Lot shall be commenced, nor shall any of the same be placed, maintained or allowed to remain, on any Lot until the "Architectural Control Committee" (appointed as hereinafter provided) has approved the plans and specifications therefor and the location of such Improvements.

Section 2. Composition. Through and including December 31, 2013, Declarant shall annually appoint the members of the Architectural Control Committee which will be composed of at least three (3) individuals (the exact number of members of the Architectural Control Committee to be designated by Declarant from time to time), each generally familiar with residential and community development design matters and knowledgeable about the Declarant's concern for a high level of taste and design standards within the Subdivision. The members so appointed are appointed to serve for the next succeeding calendar year. In the event of the death or resignation of any member of the Architectural Control Committee, Declarant, for so long as it has the authority to appoint the members of the Architectural Control Committee, and thereafter, the Board, shall have full authority to designate and

appoint a successor. Subsequent to December 31, 2013 (and earlier if Declarant specifically assigns this right to the Board), the Board shall designate the number of and appoint the members of the Architectural Control Committee. At any time and from time to time Declarant may assign to the Board its right to appoint members of the Architectural Control Committee.

The Declarant (and the Board when applicable), in its discretion, may at any time and from time to time appoint two separate Architectural Control Committees, one for the purpose of reviewing plans, specifications and site plans for initial Improvements to be constructed or placed on a Lot, and another to review plans, specifications and site plans for subsequent new Improvements and changes in and additions to existing Improvements on a Lot, the specific division of such reviews to be as specified by the Declarant (or the Board when applicable). Each such Architectural Control Committee separately shall be subject to and shall comply with the provisions of this Declaration applicable to the Architectural Control Committee and the review of plans, specifications and site plans.

Section 3. Procedure. No exterior Improvement of any kind or nature shall be constructed, repaired, replaced, remodeled, placed or allowed to remain on any Lot until all plans and specifications therefor and a site plan therefor have been submitted to and approved in writing by the Architectural Control Committee, as to:

(a) type of materials, adequacy of site dimensions and facing of main elevation with respect to nearby streets;

(b) conformity and harmony of the external design, color, type and appearance of exterior surfaces and compatibility with existing Improvements within the Property;

(c) location of the Improvement on a Lot and effect of location and use on neighboring Lots and Improvements situated thereon;

(d) provisions for handling water drainage;

(e) compliance with the provisions of this Declaration and compliance with any architectural guidelines that may be established from time to time by Declarant (or by the Board when the Board has the right to appoint the members of the Architectural Control Committee, or by the Architectural Control Committee, if such power is delegated to it by Declarant or the Board otherwise possessing such power).

Final plans and specifications for all Improvements proposed to be constructed on a Lot shall be submitted to the Architectural Control Committee for approval or disapproval in such format and in such numbers or sets (not to exceed three) as the Architectural Control Committee may require. The Architectural Control Committee is authorized to request the submission of samples of proposed construction materials. At such time as the plans and specifications meet the approval of the Architectural Control Committee, at least one

complete set of plans and specifications shall be retained by the Architectural Control Committee and another complete set of plans and specifications shall be marked "Approved" and returned to the Lot Owner or such Owner's designated representative. If such plans and specifications are determined not to be in compliance with this Declaration, or if the same are otherwise unacceptable to the Architectural Control Committee because of inadequacy or noncompliance with respect to the provisions of this Section, one set of plans and specifications shall be returned to the Lot Owner marked "Disapproved, accompanied by a reasonable statement of items found not to be in compliance with this Declaration or otherwise unacceptable. Any modification or change in the plans and specifications submitted to and approved by the Architectural Control Committee must again be submitted to the Architectural Control Committee for its inspection and approval in accordance with requirements established by the Architectural Control Committee. The Architectural Control Committee's approval or disapproval, as required herein, shall be in writing.

The Declarant (or the Board, when the Board has the right to appoint members of the Architectural Control Committee, or the Architectural Control Committee, when such power has been delegated to it by the Declarant or the Board possessing such power), may from time to time adopt procedures for conducting the architectural reviews and other duties of the Architectural Control Committee, provided that such procedures do not conflict with the specific requirements of this Declaration.

The Declarant (or the Board, when the Board has the right to appoint members of the Architectural Control Committee, or the Architectural Control Committee, when such power has been delegated to it by the Declarant or the Board possessing such power) at any time and from time to time may establish architectural guidelines for one or more types of Improvements to be constructed on a Lot, which guidelines shall be fair and reasonable, may from time to time be amended or revised, and shall carry forward the spirit and intention of this Declaration. Although the Architectural Control Committee shall not have unbridled discretion with respect to taste, design and any standards specified herein or in such guidelines, the Committee shall be responsive to technological advances or general changes in architectural designs and materials and related conditions in future years and use its best efforts to balance the equities between matters of taste and design (on the one hand) and use of private property (on the other hand). Subject to the specific terms and conditions of this Declaration, different architectural guidelines may be promulgated and applied to different phases within the Subdivision. Such guidelines shall supplement, but not supersede, the provisions of this Declaration and may be more (but not less) restrictive than the specific provisions of this Declaration. Such guidelines may (but shall not be required to) include, but not be limited to, the following matters: construction specifications; signs; mailboxes; landscaping; and environmental matters. Provided, however, if there is a conflict between any such guideline and the specific provisions of this Declaration, any Supplemental Declaration or any recorded declaration of covenants, conditions and restrictions applicable to any phase or section in the Subdivision, the provisions of this Declaration, such Supplemental Declaration or such other recorded declaration shall control.

Section 4. Jurisdiction. In addition to the foregoing, the Architectural Control Committee is authorized and empowered to consider and review any and all aspects of the construction of any Improvements on a Lot which may, in the reasonable opinion of the Architectural Control Committee, adversely affect the living enjoyment of one or more Owners or the general value of the Property or the Subdivision.

Section 5. Enforcement. The Architectural Control Committee shall have a specific, nonexclusive right (but not obligation) to enforce the provisions contained in this Article of this Declaration and/or to prevent any violation of the provisions contained in this Article of this Declaration by a proceeding at law or in equity against the person or persons violating or attempting to violate any such provisions.

Section 6. Failure of the Architectural Control Committee to Act. If the Architectural Control Committee fails to approve or disapprove any plans, specifications and other submittals which conform with the requirements for such submittals established as provided herein or to reject them as being inadequate or unacceptable within thirty (30) days after submittal thereof to the Architectural Control Committee, and provided such submittal was a full and complete submittal of all items required by this Declaration and any applicable architectural guidelines to have been submitted to the Architectural Control Committee, it shall be conclusively presumed that the Architectural Control Committee has approved such conforming plans and specifications and other submittals, except that the Architectural Control Committee has no right or power, either by action or failure to act, to waive or grant any variances relating to any mandatory requirements specified in this Declaration, in any applicable Supplemental Declaration, or of any applicable governmental entity. If plans and specifications or other submittals are not sufficiently complete or are otherwise inadequate, the Architectural Control Committee may reject them as being inadequate or may approve or disapprove the same in part, conditionally or unconditionally, and reject the balance.

Section 7. Limitation of Liability. Neither the Architectural Control Committee nor the members thereof, nor Declarant, nor the Association, shall be liable in damages or otherwise to any Person submitting plans and specifications and other submittals for approval, by reason of mistake of judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications or other requests for approvals.

Section 8. Miscellaneous. No member of the Architectural Control Committee shall be entitled to compensation for services performed pursuant to this Declaration. Provided, however, the Association may reimburse members of the Architectural Control Committee for reasonable out-of-pocket expenses.

ARTICLE X**EASEMENTS****Section 1. Easements Reserved by Declarant.**

(a) Declarant, for itself, its successors and assigns, and its agents, reserves a perpetual, alienable, and releasable easement on, over and under the Property (and including all Lots, Common Property and Limited Common Property) for installation, maintenance, repair, replacement, use, operation and removal of utilities (including, without limitation, electric, natural gas, telephone and cable television) and related appurtenances and equipment (including, without limitation, wires, poles, pipes, transformer boxes and conduits), drainage facilities and soil and water impoundments. Provided, however, no easement hereby reserved shall be applicable to any portion of a Lot used as building site or approved for use as building site by the Architectural Control Committee). Full right of ingress and egress shall be had by Declarant at all times over the Lots (other than the portions thereof used or approved as building sites) for the installation, use, operation, maintenance, repair, replacement or removal of any such utility, drainage facility or impoundment, together with the right to remove any obstruction that may be placed in any easement that would constitute interference with the use of such easement, or with the use, installation, maintenance, repair, replacement, removal or operation of same. Assignees to whom Declarant reserves the right to assign and convey, in whole or in part, the easements reserved by it hereunder shall include, without limitation, the Association and one or more governmental entities or public utility companies. Provided, however, neither the foregoing reservation of easement rights nor any similar reservation of easement rights contained in this Declaration shall create or impose any obligation upon Declarant, or its successors and assigns, to provided or maintain any such utility, drainage facility or impoundment.

(b) In addition to the foregoing, Declarant and the Association reserve the right to subject the Property to a contract with Carolina Power And Light Company for the installation of above ground or underground electric cables and lines and/or the installation of street lighting, either or both of which may require an initial payment and/or a continuing monthly payment to Carolina Power And Light Company by each Owner.

Section 2. Easement Reserved for the Association.

(a) Full rights of ingress and egress shall be had by the Association at all times over and upon each Lot for the maintenance and repair of each Lot in accordance with the provisions hereof and for the carrying out by the Association of its rights, powers, duties and obligations hereunder; provided, that any such entry by the Association upon any Lot shall be made with as minimum inconvenience to the Owner as reasonably practicable, and any damage caused as a result of the gross negligence of the Association's employees or agents shall be repaired by the Association at the expense of the Association.

(b) In addition to the foregoing, and in order to implement effective and adequate erosion control, the Association, and its contractors, employees and agents, shall have the right to enter upon any portion of any Lot before and after Improvements have been constructed thereon for the purpose of performing any grading or landscaping work or constructing, repairing, replacing, using and maintaining erosion control devices; provided, however, no such activities shall interfere with any permanent Improvements constructed on any such Lot (which Improvements have been approved by the Architectural Control Committee). If the need for erosion control results from the construction of Improvements on any portion of a Lot or any excavation, grading, removal, reduction, addition or clearing of any Lot or portion thereof, the cost of any such work performed by the Association for the purpose of implementing effective and adequate erosion control shall be assessed against the Owners of the Lot on which such work has been performed. Provided, however, if the Association determines that appropriate corrective action is necessary on a Lot, prior to exercising its right to enter upon such Lot and performing any grading or landscaping work or constructing or maintaining erosion prevention devices, the Association shall give the Owner of such Lot written notice of and the opportunity to take the corrective action specified in such notice. If the Owner fails to complete the specified corrective action by the date specified in the notice, the Association may then exercise its right to enter upon the Lot and take or complete the necessary corrective action.

Section 3. Easement Reserved for Governmental Entities and Public Utilities. An easement is hereby established for applicable governmental entities and municipal, state or public utilities serving the Subdivision, and their agents and employees, over all Lots and over Common Areas hereby or hereafter established, for the purpose of setting, removing, repairing, maintaining and reading utility meters, maintaining, repairing and replacing streets, utilities, utility or drainage connections, and acting for other purposes consistent with the public safety and welfare, including, without limitation, police and fire protection, the rights granted by such easements to be exercised in a reasonable manner and at reasonable times (except in the case of an emergency).

Section 4. Easements Shown On Recorded Maps. Declarant, for itself, its successors and assigns (including, without limitation, governmental entities and the Association), and in addition to those easements reserved in this Declaration, hereby reserves easements in the locations and for the purposes shown and indicated on all maps of Lots subject to this Declaration that are recorded in the Wake County, North Carolina Registry, and, for the purpose of exercising and implementing such easement rights, Declarant and the Association shall have the right of ingress, egress and regress over and upon those easement areas. The rights reserved by this Section include, without limitation, the right to construct, alter, place, maintain, repair, replace and use in the easement areas identified on such maps, all Improvements deemed necessary, in the reasonable discretion of the Declarant or the Association, for the full exercise of such easements.

ARTICLE XI

The Owner of each Lot in the Property shall have the duty and responsibility, at such Owner's sole cost and expense, to keep and maintain such Lot, including all Improvements thereon, ground and drainage easements or other rights-of-way incident thereto, in accordance with the terms and provisions of the Declaration and in a well-maintained, safe, clean and attractive condition at all times. Section 2. Owner's Obligations to Repair. Except for those portions, if any, of each Lot which the Association is required to maintain or repair hereunder, each Owner shall, at such Owner's sole cost and expense, maintain and repair such Owner's Lot and the Improvements situated thereon, keeping the same in good condition and repair and in compliance with the covenants, conditions and restrictions herein contained. In the event that any Owner shall fail to maintain and repair such Owner's Lot and/or such Improvements as

required hereunder, the Association, in addition to all other remedies available to it hereunder or at law or in equity, and without waiving any of such alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements (including, without limitation, all Improvements) erected thereon; and each Owner (by acceptance of a deed for a Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand, and the failure of any such Owner to pay the same shall carry with it the same consequences as the failure to pay any assessment hereunder when due. The Association, at the cost of the Owner of the affected Lot, shall, if the Owner of such affected Lot fails to promptly (and in any event, within sixty (60) days following the date of the casualty) do so following the date of occurrence of the hereinafter described damage, cause any and all improvements situated upon a Lot which are damaged or destroyed by fire or other casualty to be repaired and/or removed so as not to present an unsightly appearance and/or unsafe condition, with the cost of same to be charged to and collected from the Owner in the manner provided in this Section.

Should any such Owner fail to fulfill this duty and responsibility within such period, then the Association or the Declarant, acting through its authorized agent or agents, shall have the right and power to enter onto the premises and perform such care and maintenance without any liability to any Person for damages for wrongful entry, trespass or otherwise. The Owner of a Lot on which such work is performed shall be liable to the Declarant or the Association for the cost of such work, together with interest on the amounts expended by the Association or the Declarant in performing such work computed at the highest lawful rate from the date(s) such amounts are expended until repaid, and for all costs and expenses (including attorney fees) incurred by Declarant or the Association in seeking the compliance of such Owner with the duties and responsibilities of Owners hereunder, and shall reimburse the Association or the Declarant, as the case may be, on demand for such costs and expense (including attorney fees and interest). If such Owner shall fail to reimburse the Association or the Declarant, as the case may be, within thirty (30) days after mailing to such Owner of a statement for such costs and expense by the Association or the Declarant, then, without limitation of any other rights of the Association or Declarant, the Association may issue a special assessment against such Owner, and may enforce and collect the same, as provided in the Sections of this Declaration relating to assessing, enforcing and collecting assessments.

Section 1. Duration. This Declaration and the terms, covenants, restrictions and provisions set forth herein shall run with and bind the Property and shall inure to the benefit of every Owner of a Lot in the Property, including Declarant, and their respective heirs, successors, and assigns, for a term beginning on the date this Declaration is recorded and continuing through and including December 31, 2023. Beginning on and including January 1, 2024, the easements, covenants, conditions and restrictions herein shall be automatically extended for successive period(s) of ten (10) years each unless, at a duly called annual or special meeting of the Association at which a quorum is present held prior to the expiration of the applicable time period, termination of this Declaration is approved by the affirmative vote of seventy-five percent (75%) or more of the votes entitled to be cast by the Members present or represented by proxy. A vote by the membership on termination of this Declaration may be held only upon presentation to the Association of a petition for termination signed by Members possessing no less than twenty-five percent (25%) of the total eligible vote of the membership of the Association, which petition, in the case of an annual meeting of the Association, shall be presented to the Association prior to the date that notice of the annual meeting is sent to the Members. The Association shall give written notice of any annual or special meeting at which termination of this Declaration is to be considered and voted upon to all Owners at least thirty (30) days in advance of the date of such meeting, which notice shall set forth that termination of this Declaration will be considered and voted upon at such meeting. If the membership votes to terminate this Declaration, such termination shall be effective upon the expiration of the then applicable time period for which the Declaration is in existence, or shall be effective on such date thereafter as may be specified in the resolution of termination passed by the membership as required herein (it being the intention of this Section, notwithstanding anything to the contrary appearing herein, that if the membership has voted to terminate this Declaration, the membership may set a date of termination that may result in this Declaration continuing to be in effect for a period of less than ten (10) years following the expiration of a preceding time period in which this Declaration was in effect).

The quorum required at the annual or special meeting at which termination of this Declaration is to be considered by the membership pursuant to the petition filed with the Association shall be the presence of Members plus proxies entitled to cast sixty percent (60%) or more of the total vote of the membership. If such quorum is not present, subsequent meeting(s) may be called until a quorum is present, subject to the same notice

requirements, and the required quorum at such subsequent meeting(s) shall be one-half (1/2) of the required quorum at the immediately preceding meeting.

If the Members vote to terminate this Declaration in accordance with the foregoing requirements, then the President and Secretary of the Association shall execute in recordable form a certificate which shall set forth at least the following information: the Resolution of Termination adopted by the Association, the date of the meeting of the Association at which such resolution was adopted; the date that notice of such meeting was given, the total number of votes required to constitute a quorum at such meeting; the total number of votes present at such meeting; the total number of votes necessary to adopt the resolution terminating the Declaration; the total number of votes cast in favor of such resolution; and the total number of votes cast against the resolution. Such certificate shall be recorded in the Wake County, North Carolina Registry no later than thirty (30) days following the date such resolution of termination is passed by the membership, and such certificate may be relied upon for the correctness of the facts contained therein as they relate to the termination of this Declaration.

Section 2. Amendment. Subject to the limitations hereinafter contained, this Declaration or any Supplemental Declaration hereto may be amended or modified at any time prior to December 31, 2023 by an instrument signed by the Owners of not less than ninety percent (90%) of the Lots subject to this Declaration, and thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots subject to this Declaration. With respect to any amendments affecting a specific Limited Common Property, the foregoing percentages are required only of those Owners of Lots that are located in the phase or section of the Subdivision to which such Limited Common Area relates. No such amendment shall limit the rights of Declarant under this Declaration as long as there is a Class B Membership.

In addition to the foregoing rights, and notwithstanding anything to the contrary that may appear herein, Declarant may (at Declarant's option) at any time and from time to time amend or modify this Declaration and any Supplemental Declaration without obtaining the consent or approval of the Members or any other person or entity if such amendment or modification is necessary for any one or more of the following purposes: to correct an obvious typographical error; to cause this Declaration or any such Supplemental Declaration to comply with the requirements of FHA (Federal Housing Administration), VA (Veterans Administration), Fannie Mae (Federal National Mortgage Administration), Office Of Interstate Land Sales Registration of the Department Of Housing And Urban Development (OILSR) or other similar agency; or as may be necessary to establish or maintain the tax exempt status of the Association under the laws of the United States or the State of North Carolina.

All amendments to this Declaration must be recorded in the Wake County, North Carolina Registry and shall not become effective until recorded. With respect to amendments that require approval of the Owners, all such amendments also shall be executed by the Association, following determination by the Board that the amendment has been duly

approved by the required percentage of Owners (for the purpose of this determination, the Board may rely on its most current membership list and shall not be required to conduct any title examination of any Lot to determine ownership thereof). The Board shall make its determination (and cause the amendment(s) to be recorded if the Board determines that the required number of Owners have executed the amendment(s) within thirty (30) days of receipt of the proposed amendment(s) purportedly signed by the required number of Owners.
